

Activity mapping the Arctic

Nb: To achieve the task you need to have the map and your laptop with an internet connection

1. Visit the website: articportal.org
Define “the Arctic” using “arctic definitions”. Is there only one way to define the Arctic region?
2. Use maps from both the [articportal](http://articportal.org) and the arcticcentre.org (see below for the exact link) You have to complete the key of the map with different items (5 maximum)
 - a. a maritime area rich in resources
 - b. the territorial claims
 - c. a vulnerable area
3. Fill the map using information that cover all geographical area

Websites:

- Arctic center : maps

<https://www.arcticcentre.org/EN/arcticregion/Maps>

Arctic Portal Maps

Gallery : <https://articportal.org/maps/download>

Industrial activities and oil & gas reserves : <http://library.arcticportal.org/1363/>

4. Present your map to the other students orally explaining your choices
