

Song

We are going to the Mountains

We are going to the mountains, yes we are
We are going to the mountains, yes we are
We are going to the mountains
going to the mountains
We are going to the mountains, yes we are

We are climbing up the mountain, yes we are
We are climbing up the mountain, yes we are
We are climbing up the mountain
climbing up the mountain
We are climbing up the mountain, yes we are

We are singing in English, yes we are
We are singing in English, yes we are
We are singing in English
singing in English
We are singing in English, yes we are
