## The ArcelorMittal Orbit

One Attraction, memorable experiences.

### The View

Journey 114.5m into the clouds and explore London's famous skyline and the iconic venues from London 2012 through stunning floor to ceiling windows. The ArcelorMittal Orbit perfectly combines awe-inspiring views with fun and contemporary art, from the structure itself to concave mirrors that flip the horizon!

### The Slide

A brand new hair-raising experience that's not for the faint-hearted! Challenge your friends and family to a 40 second descent through the twists, turns and drops of the world's tallest and longest tunnel slide as it loops its way round the ArcelorMittal Orbit 12 times.

### Getting Here

Queen Elizabeth Olympic Park is located just **5 stops** from **St Paul's**. The ArcelorMittal Orbit is just a 10 minute walk from Stratford station on a pedestrianised route and just 5 minutes from Westfield Stratford City.

# SCHOOL GROUPS

The ArcelorMittal Orbit is the perfect destination for school groups of any age. Let your students enjoy breath-taking views from the 80m high viewing platforms or let them challenge their classmates to a 40 second descent down the world's tallest, longest and fastest tunnel slide.

Pupils can get up close to London's landmarks with innovative and interactive touchscreens that allow them to zoom into the view and learn more about the city, and immerse themselves in a collection of distinctive London sounds playing through the speakers on the journey down the 455 steps winding way around the sculpture.

Depending on their age, needs and abilities, we offer you the flexibility to create the best day out for your group within the amazing grounds of Queen Elizabeth Olympic Park.
