4. Place the 3 words in the grid, from the smallest to the biggest : **My score : correct answers /3**

microscopic macroscopic nanoscopic

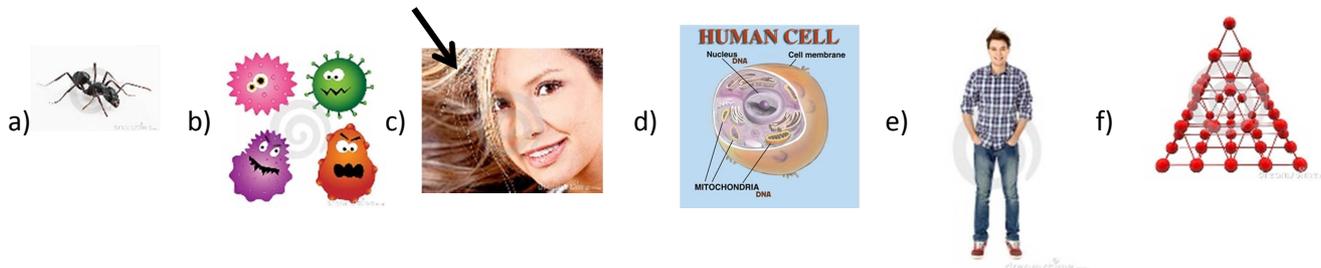

5. Look at the pictures. Circle the letters that belong to each « world » Like

The macroscopic world contains pictures a b c d **e** f

The microscopic world contains pictures a b c d e f

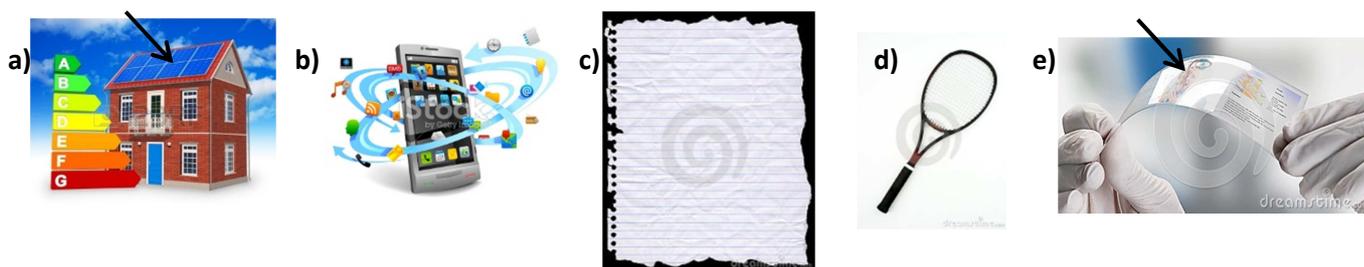

The nanoscopic world contains pictures a b c d e f

6. Write the letter for each word in this grid :

Viruses	A human being	An ant= an insect	A human cell	A diamond carbon molecule	A human hair
	e				

7. These innovations were created thanks to nanotechnology ... or not !

Match their names and the correct letters :

Name of the object	Matching Letter
A tennis racket	
Photovoltaic cells to make solar panels	
A flexible screen	
A mobile phone	
A sheet of paper	

8. Choose and write a ; b ; c ; d ; e ; f in the correct box. My score : correct answers /5

Object(s) made with the help of nanotechnology Write a or b or c or d or e	Object(s) made without any nanoparticles. Write a or b or c or d or e
